

## **NKONYENI PRECAST (NPC) LIMITED COMMENCES TRADING ON THE ESWATINI STOCK EXCHANGE**

On the 9<sup>th</sup> of November 2023, Nkonyeni Precast Limited (a manufacturer and distributor of bricks, blocks, pavers, retainer blocks, cobblestones, and roof tiles. NPC currently supplies the retail, construction, and domestic markets in Eswatini and South Africa) commenced trading on the Eswatini Stock Exchange.

Nkonyeni Precast Limited was issued with the ISIN code **SZE000331056** and ticker symbol **NPC**. On the first day of trading the share price was **E1.00** at an issuer market capitalization of **E179, 000, 000.00**. The ESE market capitalization saw an increase of **4.02%** to **E4,633,607,126** with the All-Share Index remaining at **469.64** (due to an issuance of new securities being regarded as a corporate action). NPC's market capitalization makes up **3.86%** of the ESE's overall market capitalization.

The first day of trading was symbolized with the ring of the bell ceremony, which is a globally recognized event in the capital markets spheres meant to signify the achievement of an important milestone. This was the first ever ring of the bell ceremony hosted at the ESE, and it is historical in that NPC is the first listing post automation of the ESE.

*For more inquiries about the trading of NPC Shares on the ESE, please contact the ESE trade monitoring desk.*
